Discover the LUCIA Knowledge Centre!

Turn noise into knowledge.
Capture, curate and exchange!

As a lot of knowledge already exists, the LUCIA Knowledge Centre (KC) aims to make the best use of it and encourage peer-to-peer exchanges on urban lighting within the Baltic Sea region.

Existing user can log in to the LUCIA KC here. If you're interested in joining this community, read more on the LUCIA KC and how to join it below.
